PREPAID CAR WASH COUPONS

Another Real Easy Way to raise money

Your organization can purchase the car wash coupons* for resale and receive a cash back discount based on the numbers of coupons you actually sell. Coupons are for the exterior car wash and are a \$7.00 value with an expiration date of six weeks from the date you begin to sell them. The coupons must be redeemed at TC's Bunkey's of Durham location only, during that six week period. This is a tried and true fund raiser that has been successful in the area for many years

When the group sells:

25-99 tickets - \$7.00 x 99 tickets = \$693.00
Group gets 25% of those sales \$173.25

100-199 tickets - \$7.00 x 150 tickets = \$1050.00
Group gets 33% of those sales \$346.50

200- Up tickets - \$7.00 x 200 = \$1400.00
Group gets 50% of those sales \$700.00

*minimum purchase of 100 coupons
